

Dear Friends,

"My grace is sufficient for you, for power is made perfect in weakness" (2Cor12:8)

If we could only REALLY believe this! I know there are plenty of times when I need to challenge myself to let go of my fear, anxiety, worry or doubt about a situation - and trust that God's grace is sufficient for me here and now, at this very moment. And invariably, time and again, when I can do that, I am surprised by the way the situation is resolved. Sometimes I just need to get out of the way, so God direct the show!

God wants us to lean on grace, to trust in God's provident care for us and to realize how benevolent God is! So as you're enjoying these summer days and the joy of getting together with loved one, don't forget whatever challenge you face, God's grace is right there, right now, and is sufficient. Let go and let God's power overcome any weakness you may have.

Because of your faithful support we experience God's grace in abundance every day. That is a gift we never take for granted. We thank you for your recent gift and ask God's blessing on you for your generosity to us.

We pray you stay well and safe from COVID and all of life's other troubles. We feel privileged to be your Partners in Grace and we thank God for your presence in our lives!

With our love and prayers,

*Sr. Nancy.*
